

Form for return of devices and/or accessories to BANDELIN electronic GmbH & Co. KG

Certification of Decontamination

This "Certification of Decontamination" serves the industrial safety and healthy preservation of our employees according to the German "infection law for the protection" and the UVV of the employer's liability insurance association.

We apologise for any inconvenience; for the fact that we cannot start any work unless this certificate is available.

Before return, the unit and accessories for examination/repair must be cleaned according to the valid laws and regulations and have to be disinfected with a verifiably effective surface disinfectant.
